Embark on Southern Caribbean - Norwegian Epic

CARRIER

Norwegian Cruise Line

Set sail from the beautiful island of Puerto Rico where you can explore El Yunque, the only tropical rain forest in the United States. In Willemstad, bid farewell to 2020 by relaxing on a 17-century veranda with a drink made with the famous Curacao liqueur. Then get ready to start the New Year with excitement in Castries, where you can visit Sulphur Springs, the Caribbean's only "drive-in volcano." And then in the very British paradise of St. Kitts, where cricket and tea are the norm, the dramatic mixed landscape of Basseterre's sands in traditional gold or volcanic black will captivate you.

Ship Information Explore the history of the Mediterranean, feel the balmy breezes of the Bahamas and the Caribbean, or just sit back and relax while you cruise across the Atlantic. Whatever you choose to do, Norwegian Epic is sure to dazzle. Awarded Best Cruise Ship Entertainment by Frommer's, Norwegian Epic keeps the bar high with two new Broadway shows: Ballroom Blitz and Priscilla, Queen of the Desert. Not only is Norwegian Epic offering world-class performers but a new wave of accommodations as well - from Studios, designed and priced for the solo traveler, to privacy in The Haven. Add more than 20 different dining options and you'll understand why this is Freestyle Cruising on a truly grand scale.

San Juan

Note: Map is not specific to your port or tour. Don't use it to navigate back to your ship or tour location.

From spectacular beaches, to impressive monuments, to electrifying nightlife, San Juan, Puerto Rico is bursting with historical and cultural attractions that are sure to inspire and exhilarate.

A former Spanish colony established by explorer Ponce de León, San Juan is replete with monuments dating back to the sixteenth century. Originally built to fortify the Spanish military against attacks from native Taíno peoples and rival European colonial powers, both the Castillo San Cristóbal and Castillo San Felipe del Morro fortresses are popular sites for educational tours detailing the island's extensive colonial history. These expansive bastions sit on San Juan's rocky seaside cliffs and offer spectacular views of the Atlantic Ocean.

San Juan's many beaches beckon you! Relax with warm sands, snorkel in glittering turquoise waters, and marvel at vast lines of palm trees on Condado Beach, Ocean Park Beach, Carolina Beach, and a host of other coastal havens. Better yet, go for a nighttime boat ride in one of Puerto Rico's three bio-luminescent bays, Laguna Grande, where dinoflagellates illuminate the water in hues of neon aqua. The city's nearby natural parks and ecological wonders are equally worth a visit, including the limestone caves of Cueva Ventana and the lush tropical ecosystem of El Yunque National Rainforest.

Your stay in San Juan won't be complete without experiencing the city's thrilling nightlife scene. San Juan boasts a number of bars, breweries, and dance clubs with delicious cocktails and mouthwatering (and authentically Puerto Rican!) culinary creations. Sip on the sweet coconut flavor of a classic piña colada, a Puerto Rico original, or sample some mofongo, a staple dish made of chicharrón and fried plantain.

Unwind in this vibrant Caribbean capital and let San Juan regale you with its many charms!

December 20 - Monday

8:00 AM - Atlantic Standard Time

Arrive at St. Thomas

CARRIER

Norwegian Cruise Line

St. Thomas

Note: Map is not specific to your port or tour. Don't use it to navigate back to your ship or tour location.

Columbus called them Virgins. What he saw in the troika of St. Thomas, St. Croix and St. John that gave him this impression is not known for sure, but a visitor to any of the three would probably guess it was their natural, unspoiled beauty that inspired him.

But looks aren't everything--there's history too. In the 17th century, ownership of St. Thomas was hotly contested by many of the major European powers. Later, swashbucklers like Blackbeard and Drake made the island a base for their operations. And in 1917, St. Thomas and the other Virgins were acquired by the U.S. from Denmark.

Today, St. Thomas has many draws that make it one of the Caribbean's most popular vacation spots--not the least of which is the fabulous duty free shopping. Some would contend that with sufficient purchases, one may actually cover the cost of the trip in savings alone. There's only one way to find out--you gotta be there.

Arrive at Bridgetown

CARRIER

Norwegian Cruise Line

Bridgetown

Note: Map is not specific to your port or tour. Don't use it to navigate back to your ship or tour location.

A former English colonial stronghold, Bridgetown, the capital of Barbados, will entice you with its unique Bajan flair and centuries-old English style architecture. This Caribbean haven, a favorite for Caribbean cruise-goers, offers plenty of adventurous and tropical excursions that will surely entertain you! Beachside attractions are a must – hop on a catamaran to go snorkeling offshore, plunge the ocean depths in a local submarine, or unwind on the sands of Carlisle Bay. Explore the historical remnants of Bridgetown's English occupation, including St. Michael's Cathedral, the Morgan Lewis Sugar Mill, Arlington House Museum, and Chamberlain Bridge. Better yet, sample the island's best rums made from local sugarcane at St. Nicholas Abbey or Mount Gay Rum. Delight in Barbados's natural wonders at Harrison's Cave, the cavernous limestone grotto concealing striking calcite deposits and warm waters. Stroll the verdant walkways replete with hundreds of blooming flowers at Hunte's Gardens or the Andromeda Botanic Gardens.

Travel to Bridgetown and immerse yourself in this Bajan paradise!

Arrive at St. Lucia Island

CARRIER

Norwegian Cruise Line

St. Lucia Island

Note: Map is not specific to your port or tour. Don't use it to navigate back to your ship or tour location.

Saint Lucia (sânt lü̞shē), island nation (1995 est. pop. 156,000), 238 sq mi (616 sq km), West Indies, one of the Windward Islands. The capital is Castries. A lush volcanic island with mountains rising abruptly from the sea, St. Lucia is much favored by vacationers. It also earns foreign exchange from traditional exports—bananas, cocoa beans, coconut oil, and copra—and its oil refinery and oil transshipment facilities. The population is largely of African descent. English is the official language, but a French patois is widely spoken. Roman Catholicism is the predominant religion. Columbus probably sighted St. Lucia in 1502, but hostile Caribs prevented early colonization attempts. The first successful settlement was by the French in the late 1600s, but Britain gained control in 1803. A member of the short-lived West Indies Federation (1958–62), St. Lucia gained self-government in 1967 and independence in 1979. The conservative United Workers' party, with John Compton as prime minister, has been in power since 1982.
